

PROJECT TITLE

Comprehensive Signing of the Pacific Coast Bike Route

Insert Location Map Below:

Project Location: Various Counties

Co/Rte/KP/PM: Various Counties

PPNO: 4110

Project Description: Install new signage at various locations along the PCH bike route

Project Scope: New signage where necessary along with removal of old signage.

Existing Funding: IIP: \$0
RIP: \$0
ITIP TE: \$80,000

Future Funding Need: \$0

Total Estimated Cost: \$80,000

Project Schedule:

Start Environmental Studies	11/04
Final Environmental Document	11/05
Begin Design Engineering	09/04
PS&E complete	01/06
Start Right of Way Acquisition	N/A
Right of Way Certification	01/06
Ready to Advertise	03/06
Award Construction	05/06
Project Completion (open for use)	01/07

PROJECT INFORMATION

Purpose & Need for the Project:

Caltrans recently concluded a service contract to update segments of the Pacific Coast Bike Route within the district. This study recommended changes in alignment at various locations along with increased signage to improve riders' experience. This project will address many of those recommendations.

The project will place Pacific Coast Bike Route signs along the Pacific Route at various locations and remove signs from segments no longer part of the route. Most of the signing will be done on newly designated segments. Project will also include educational material showing the entire D1 route (including scenic spurs) and safety information on Cyclist's "Rules of the Road".
